EGG HUNT GENERAL RULES

- 1) Let's be safe - Try not to run too fast or hurt others!
- 2) Let's be nice - Try not to fight over the eggs.
- 3) Every child will **collect 15 eggs each**.
There are enough eggs for everyone!
- 4) Please keep an eye and ear out when your color group and subgroup letter is called so you don't miss your egg hunt.

IMPORTANT NOTES

- * Please note that candy distributed may contain allergens.
There is a "Trade in Bucket" at the Refreshments table where children may exchange candy for non-allergen containing prizes.
- * If you forgot to bring a basket, collection bags can be decorated at the crafts station area.
- * Every child must have an appropriate colored bracelet and complete a waiver form in order to participate in the egg hunt.
- * Please recycle your plastic eggs!
Recycling bins are located at the egg hunt exit.

THANK YOU FOR JOINING US TODAY!
